

Service & Warranty

Thank you for choosing platinum Coach for your professional vehicle needs. All Platinum funeral coaches come with a *5 year 50,000 mile* limited warranty and guarantee on our conversion. Our conversion is limited to the body and parts installed by Platinum Coach.

Before any service work can be provided, *Platinum Coach must approve all warranty claims* before they will be paid to the outside vendor. This protects both our company and yours to ensure that we maintain the highest level of quality with the least amount of service work for your coach.

If you need any warranty assistance, our service and warranty manager Eric Riffle can be reached at 513-752-0734 Ext. 3. Please have your VIN# handy for the fastest service.
